Regarding Some News Reports Today

Although it was reported by Nikkei Inc. today that we are in the early stages of negotiations for the sale of Mitsubishi Tanabe Pharma Corporation, this was not announced by our company and there is no such fact.

We are continuously reviewing the ideal business portfolio of the entire group for all of our businesses, including the Pharma business, and are promoting portfolio reform with all options, including divestiture, in mind. We will promptly disclose any facts that should be disclosed in the future.
